## Notes

[1] This journal does not have its original binding. A train wreck caused considerable damage to this diary. The original cover is called z001a and z001b.

[2] This cover is a textured light and dark brown color. The text is written on a white square that has a light border.

[3] There is a white sticker on the front lower right corner with library numbering.

[4] This text is written on a white sticker that has been crossed out.

[5] The next three lines were written vertically.

- [6] The next four lines are part of the Commercially printed text, and the five lines below that are handwritten into the journal.
- [7] This journal is commercially printed with charts appearing every other page. Elements of the chart that are commercially printed are noted and all other numbers, names and dates have been handwritten by the diarist.
- [8] Each chart has a purple double line at the top, and a red double line beneath the headings and red double lines beneath the eighth row and at the bottom of the chart. The lines of the chart are red. The headings of the columns are written vertically.
- [9] On each of these charts 189 is commercially printed with a space for the diarist to fill in the year.
- [13] Throughout the journal this column heading is the only one with horizontally printed text.
- [14] There are two squiggly lines running vertically down the table on either side of the numbers listed.
- [15] The following three lines of text are squared off with a double line above and to the left of the text. The text is also written through the columns.
- [16] There is a hole in the top center of the page.
- [17] Throughout the journal, 'Month of' is commercially printed with a space for the diarist to handwrite in the date.
- [22] This chart occurs every other page. The lines are red. The top line is a purple double line and there are red double lines beneath the heading, beneath the 'total' line, and at the bottom. The column headings are printed vertically.
- [23] Throughout the journal this column is commercially printed.
- [24] The following two lines of text are written across the columns.
- [25] There is an ink blot on the page.
- [26] There is a large hole in the top center of the page.
- [30] Throughout the journal, the text not bolded at the top of this column represents text the diarist has handwritten vertically into the heading.
- [31] The following line of text is written across the columns.
- [32] The following line of text is written across the columns.
- [35] There is a large tear in the side of the page.
- [36] The word 'meals' is written vertically into this box.
- [38] There is a small tear on the side of the page.
- [40] There is some bleed through of marks from the next page and the following two boxes show this.
- [41] There are tears on the left side of the page.
- [43] The following text is written vertically into the box.
- [45] Throughout much of the rest of the journal the word 'meals' is handwritten vertically into this column.
- [47] The following text is written vertically down the column.
- [49] The following is written vertically down the column.
- [51] There is an ink blot on this box.
- [53] The following is written across the rest of the row.
- [55] There is an ink blot in this box.
- [57] There is a drawn in bracket down the side right side of this column. It breaks at the 'Total' row before beginning again.
- [59] There are brackets down the left side of the column over various numbers of rows.
- [61] Along this column there is a bracket around the first three rows, and another bracket around the next four rows.
- [63] There is an arrow pointing to the left box.
- [65] The following two boxes are squared off with a black line.
- [68] The following four boxes have a bracket to the left.
- [69] The rest of the column has a bracket to the left.
- [72] Throughout the journal there is text vertically handwritten into this column.
- [73] The next two boxes have a bracket on the left.
- [75] There is a bracket down the left side of the next 6 rows.
- [77] There are ink smudges on the side of the page.

- [79] There is an ink mark across the middle of the page.
- [81] There is a circled 9 in this box
- [82] There is an ink mark halfway down the page that goes across the page horizontally.
- [84] There is mark that looks like a check.
- [85] The top left corner of the page is torn off.
- [87] There is a circled "S" here.
- [89] For the rest of the journal, text above a column heading that has been crossed out represents text vertically handwritten by the diarist into the column heading.
- [91] Throughout the next several charts the diarist handwrote the word 'Loaned' vertically into this column next to the word Books.
- [93] The two is circled.
- [95] There is a bracket going down the left side of the next four rows.
- [96] The top left corner of the page is folded.
- [98] There is a bracket to the left of the next 4 -5 rows.
- [100] There is an arrow going around from below this line to the bottom box of the column.
- [101] There are ink marks above the word month.
- [105] There is a bracket on the left of the next three lines
- [106] There is a bracket on the left of the next two lines.
- [107] There is an ink mark that goes down the next two lines.
- [109] The next three columns have vertical writing down them that starts around the middle of the page and goes to the bottom.
- [114] There is a large bracket down the left of the next 11 lines.
- [115] The following text is written vertically down the column.
- [116] The following text is written vertically down the column.
